drawings in the  
heart of Eindhoven.*

# WINDRAWS ROUTE

Playgrounds celebrates creativity by decorating the city of Eindhoven with our Windraws route, an extraordinary art route mapped through the city centre and Strijp-S. This route features wonderful artworks by illustration talent which you can discover at the windows of local shops and cafes.

Feeling inspired by this route? Grab a pencil and color with us at our XXXL coloring page, right in front of the Klokgebouw!

Join the party!  
Find all the hidden cakes.
